German

Arabic

Hebrew

Peace Education Handbook

The handbook has been developed in the framework of IFM-SEI's Peace Education Year 2015, supported by the European Youth Foundation of the Council of Europe. Are you interested to read more about how young people experience conflicts in their societies and how they try to transform them? Then have a look at our blog "Stories of Conflict and Peace" . If you would like to contribute a story, contact us by e-mail .
