If only I say...
If only I stop...
If only I feel...
If only I don't...
then they won't think
then they will...
then he would know...
then they might...
If only I think...
If only I believe...
If only I do...
then it will get better...
then I will feel...
then it will stop...
If only I try...
If only I act...
then things will change
then she might feel...
then it will happen
If only I act like...
If only I pretend...
